***Final Thoughts:*** The Christian Outreach Team would like to see the congregation and future members of the committee continue the work that we started by supporting local, national, and international causes in which outreach can make a physical and spiritual difference.

***Christian Outreach Proposed 2019 Grant Program from the John Andrews Outreach Fund:*** Following worship on January 13, 2019, members of the Christian Outreach Board met and unanimously voted the following statement to be included in the Annual Report:

The Board of Christian Outreach would like to recommend an award of up to \$25,000 in grant money from the John Andrews Outreach Fund for the 2019 calendar year, with the stipulation that the new “Service Team” have the flexibility to review, revise, and ask for larger funds, if a grant [request] received is worthy of a larger amount.
