To Whom It May Concern,

The Second Congregational Church, UCC is pleased to announce that the John Andrews Outreach Fund will provide charitable grants totaling up to \$25,000 to be awarded in 2019. A larger amount is also possible.

John Andrews was a local single man who lived simply, saved his money and bequeathed half of his estate to our church. He and his family provided low income housing at their home in Damariscotta.

Responsibility for distribution of the John Andrews bequest has been delegated to the Service Team of Second Church. We wish to provide grants to charitable non-profit organizations with preference given to those working to improve housing, elder care, literacy and social justice.

An application outline is provided. Application proposals should be submitted to the church office by 1 PM on July 15, 2019. Members of the Service Team will meet with grant applicants who will be asked to provide a presentation about their proposed project. We will process applications and announce recipients in the beginning of October, 2019. The grant recipients will be expected to complete their project by December 31, 2020 and provide progress reports and evidence of completion. We look forward to receiving your application.

Sincerely,
The Service Team
Second Congregational Church, UCC
