

SECOND CONGREGATIONAL CHURCH IN NEWCASTLE, UCC
2022 Time and Talent Survey: Make a Difference by Serving Others

By sharing your Time and Talent we accomplish so much together. We are reminded of the adage: “if you want to run fast, go alone, if you want to go far, go together.” Even with the many changes we are going through and our focus to keep each other well, *we still invite you to share your gifts!* Important note: Marking a survey item does not commit you to a function or activity but rather invites us to contact you about service opportunities or needs. **Please prayerfully consider your willingness to “go far together” and return this survey with your Pledge Card.**
